Features

Multi-Fire XD™ Flame Effect
A true alternative to gas, the patented Multi-Fire XD™ flame effect accurately reproduces a natural flame.

Edge-to-Edge Glass
Clean-face design offers flawless panoramic views.

Comfort$aver™ Heating System
The patented Comfort$aver™ ceramic heating system warms up to 1000 sq. ft. and uses less energy than the leading quartz infrared heater by automatically adjusting fan speed and heater wattage to safely and precisely match the requirements of the room.

Color Themes
Choose from brilliant color themes or cycle through a range of colors using the custom mode, freezing on the hue of your choice.

Media Bed
Diamond-like acrylic ice ember bed chunks sparkle with reflected light.

Built-in Touch Controls
Backlit controls are hidden when not in use.

Heat Boost
Delivers timed maximum heat output.

Multi-function Remote
Control 100% of the fireplace features from the comfort of your chair.

Seamless Installation
Low-profile design fully recesses in 2"x6" wall construction. Hardwire using 120V or 240V for powerful heating.

Year-round Enjoyment
Enjoy the ambiance of the flame with or without the heater.

Safe
Front glass stays cool to the touch.
